Subject: MOU with Port of Houston Authority

Gary and Barbara,

As follow up to the meeting with EPA held on April 14, 2011 in Houston, Texas, we have drafted the attached Memorandum of Understanding for EPA's review and signature. Sam Coleman directed us to work through Steve Tzhone, but my understanding is that Gary Miller now serves as the designated EPA Project Coordinator for the San Jacinto River Waste Pits Superfund Site. The attached MOU with the Port of Houston Authority tracks, in large part, the MOU previously entered into between EPA and Harris County. I am attaching a copy of the MOU with Harris County for your reference. Please feel free to call me if you have any questions. Thank you.
